SUPPORTED LIVING

- Myself, Jackie and Jerry moved into Number 4 Slip Grove on the 06 February.
- I am very happy in the new house.
- I am excited about the future.

SUPPORTED LIVING

- ◉ I am doing a cooking course with Kim, this helps me to cook for myself in the house.
- ◉ I cook my own dinner. I love to cook paella, chicken wrapped in bacon and seafood pasta.

SUPPORTED LIVING

- ◉ I manage my own money. I ask for help if I need it!
- ◉ Marguerite and Eileen are there to support us if we need them.

SUPPORTED LIVING

I love living in the new house because:

- ⦿ Its my home
- ⦿ I can cook
- ⦿ I can do whatever I want
- ⦿ I am the boss
- ⦿ I'm over the moon
- ⦿ If I can do it you can do it too!!
