

# Promoting the true role of the independent not-for-profit sector in Ireland

*Mo Flynn Chief Executive Rehab Group  
Accountable Autonomy Conference  
31 May 2018*

# Sláintecare

- *"The Committee is concerned about the proliferation of Section 39 organisations. It is the view of the Committee that the State has a responsibility for the provision of health services and that there has been an overreliance on charities for this purpose....it also believes that this should include proposals for a substantial rationalisation of this sector in order to achieve greater coherence and value for money"*
